MAYFIELD COMMUNITY RESOURCES

24/7 Emergency Management Hotline 270.727.5114

updated 12.15.21 12:00 pm

IMPORTANT: A “Boil Water” order for food and water is in effect until further notice. Do not consume water unless it has been boiled.

Volunteers:

The volunteer number has changed. Please contact 270.216.0903 for volunteer information.

Donations:

- Mayfield Graves County Relief Fund, PO Box 9, Fancy Farm, KY 42039 (venmo and paypal coming soon)
- Contribute to the [LifePoint Disaster Response Fund](#). Donations made to this fund will be earmarked specifically for the Mayfield community and allocated to key local organizations that are critical to the community’s recovery efforts. Our parent company LifePoint Health is currently working with the city to understand the areas of greatest need and will identify specific organizations to support through donations to this fund. Please be sure to put “Mayfield community” in the “honorarium” section of the website.
- Contribute to the [LifeCare Fund](#). Contributions to the LifeCare Fund help provide a safety net for LifePoint employees across the organization and will be an important resource for JPMC employees who were impacted by the tornado.
- The EOC asks that people pause material donations during the upcoming inclement weather until a new donation center is set up. Please halt bringing donations to the point-of-distribution centers.
- The donation number has changed. Please call 270.883.0072 for additional information on material donations.
